Suit up and hit the floor with our Indy Hipster Apron, an entirely new design for 2017. Offered in five complementary shades, including a never-before-seen retro baby blue chambray, the Hipster is your do-anything apron, with a reinforced D-ring belt that gives servers and service staff the security and support they need for a busy shift. The fully-adjustable belt is attached to an apron that can only be described as fully loaded, meant to be worn on the side with easily accessible pockets for everything from pens, iPads and more.
